About Me

As a motivated 2nd-year B.Tech CSE student, I possess a strong foundation in HTML and CSS, utilizing these skills to create visually appealing and user-friendly web content. With a passion for design and an eye for detail, I've developed a knack for crafting responsive and interactive web pages. Eager to learn and adapt, I am committed to staying updated with the latest trends in web development to continuously enhance my skills. Looking forward to applying my HTML and CSS expertise to contribute effectively in projects .
